

REFLECTIVE PROJECT PROPOSAL

Name: _____

IBCP Career Track: _____ Graduation Year: _____

Proposed Topic:

Proposed Ethical Dilemma:

Proposed Format and Explanation:

Proposed Working Title:

1. Identify three questions that you have surrounding this dilemma.
2. Identify three counter-arguments critics could pursue regarding this dilemma.
3. How does this dilemma relate to your career track to help deepen your experiences and understanding of this field?
4. List 10 potential research sources (primary and secondary) that may be of value to this project.
5. Describe any concerns that you may have regarding the Reflective Project process.

By signing below, I acknowledge that I understand all the requirements of the Reflective Project. I understand that the teacher will provide "limited" mentorship through this process and guidance through the Approaches to Learning course. I also understand that if the project receives an "E" grade that the IBCP diploma will not be issued.
